*See more! Do more!
with a Conservation Access Pass*

Many people who visit the Woodland Beach Wildlife Area visit the sites near the Aquatic Resources Education Center or at Woodland Beach, but there is so much more to see and do! Parking access for the majority of Delaware's wildlife areas requires a Conservation Access Pass (CAP). A CAP is required for any registered motor vehicle used to access designated Delaware State Wildlife Areas for any allowable activities, including hunting, birdwatching, hiking and photography. Funding from CAP helps maintain the wildlife areas. If you would like to see Delaware's Wildlife Areas conserved for the benefit of our wildlife and our future generations, get your CAP today! Purchase your CAP online at <https://epermitting.dnrec.delaware.gov/>
